Business Climate

- **Export-Import (Ex-Im) Bank Reauthorization.** Work with stakeholders to educate policy makers on the importance of Ex-Im Bank Reauthorization to the Puget Sound region’s economy. Currently authorized through federal FY14. Congressional reauthorization is required.
  - Advocate for reauthorization of the Export-Import Bank.

Infrastructure

- **MAP-21 Reauthorization.** New transportation investments are required for the business and population growth associated with Washington’s past successes and to prepare for the future. In addition, an adequate national transportation network is critical to the region’s success. MAP-21, the funding and authorization bill governing the United States federal surface transportation spending, expires in May 2015. Congressional reauthorization is required.
  - Advocate for reauthorization of MAP-21.
