(Hello, this is _____ from Northwest Research Group, a public opinion research firm in Bellevue. We are working with the Puget Sound Regional Council and local transportation planners on a study of travel patterns, needs, and opinions in the Puget Sound area. Our records indicate that your household is a member of the Puget Sound Transportation Panel.) The Regional Council recently mailed you a letter regarding the next wave of research with panel households. The continuing participation of your household is very important to the study and will help improve mobility for everyone in the region. I would like to take a few minutes to update your household information and note any changes from when you last participated in the study. This call may be monitored for quality purposes.

INTROB **[IF INTROA = 3]** I would like to point out that the transportation panel is a unique study because the travel patterns of panel members are studied over time, and this is our only source of data on changes in transportation patterns. Therefore, your continuing participation is extremely important. The information you provide will be used to help us to update the region's Metropolitan Transportation Plan, including things such as planning for highway systems, transit systems, the state ferry system, and local roads. THANKA Thank you for agreeing to continue as a member of the Puget Sound Transportation Panel!

Within the next week we will be mailing [# TO BE MAILED] travel-log diaries to your household to be filled out during the assigned two-day period. Each household member who is 15 years of age or older will receive a travel diary. When the diaries arrive in the mail, please distribute them to the appropriate household members. The name of each person, as well as the assigned two-day period for recording your household's travel information, will be noted at the top of each diary. Please carefully review the instructions for filling out the travel-logs with all panel participants. When the diaries have been completed on paper, please gather them from each participant.

This year we will be calling you back to collect your household's travel diary information over the telephone. This method will ensure more accurate and timely survey results.

THANKB As part of this year's study, we are also asking each member of the panel who is 16 or older to fill out an attitude survey that addresses policy issues related to the region's Metropolitan Transportation Plan. The surveys will be mailed to your household within the next month. Please distribute the surveys to the appropriate household members and collect them when they have been completed on paper. We ask that you mail back the completed attitude surveys in the return envelope we will provide.

Are there any questions you would like to ask me about the travel diary or about the Attitude Survey?
[ANSWER IF POSSIBLE]

THANKC Finally, I would like to verify your mailing address, so that we can be sure to send the survey materials to the correct household.
