<b>Swanson</b>	Pierce		Eatonville		City	GA	
<b>Tacoma Narrows</b>	Pierce		Tacoma		City	GA	
<b>Vashon Island</b>	King		Vashon		County	GA	
<b>Will Rogers/Wiley Post</b>	King		Renton		City	Seaplane base	

**ATTACHMENT B - Sample of Airport Compatible Land Use Data Structure**

Airport	Date Comp. Plan Adopted	Date Trans. Element Certified by PSRC	Does the Jurisdiction's Comprehensive Plan, Development Regulations, or Zoning Code:					
			Identify airports within or near the jurisdiction's boundaries	Define land uses considered incompatible (if yes, what is the source of the definitions?)	Identify existing incompatible land use in the vicinity of the airport(s)	Identify planned incompatible land use in the vicinity of the airport(s)	Include policies to discourage the siting of incompatible land use	Contain a process to protect the airport as an essential public facility

**ATTACHMENT B - Sample of Airport Compatible Land Use Data Structure**

Airport	Does the Jurisdiction's Comprehensive Plan, Development Regulations, or Zoning Code:						FAA Review
	Include development regulations to discourage incompatible land use	Have provisions or overlay zone to address height hazards based on FAR Part 77 (if yes, which surfaces are included?)	Contain maps or graphics showing FAR Part 77 surfaces	Include maps showing areas affected by airport noise (noise contours)	Include an overlay zone to address airport noise	Address airport safety zones (this criterion is not an FAA requirement)	Is area around airport adequately protected
