Airport Compatible Land Use Study Advisory Committee Meeting

December 15, 2010 - Wednesday
1:00PM – 3:00PM
PSRC 5th Floor Conference Room
1011 Western Avenue – Suite 500
Seattle, WA 98104

Presenters:
Stephen Kiehl, Principal Planner, Puget Sound Regional Council
Stephanie Ward, Manager, Aviation Services, Mead & Hunt
Carter Timmerman, Aviation Planner, WSDOT Aviation Division

AGENDA

1. Welcome and introductions – Kiehl (5 minutes)

2. Introduction to project and project background – Kiehl (5 minutes)

3. State Program: “Airports and Compatible Land Use” – Timmerman (30 minutes)

   The WSDOT Aviation Division is completing work on a new report: Washington State Airports and Compatible Land Use Guidebook, a comprehensive update of their 1999 guidance document. WSDOT Aviation Division staff will discuss the contents of the new guidebook, discuss its intended use by local agency planners, and outline next steps.

4. Review of draft chapters – Ward/Kiehl/Committee (45 minutes)

   PSRC and consultant staff will review the latest draft of chapters 1-3 and present chapter 4, which contains PSRC’s new plan submittal requirements. The committee will have a chance to discuss the PSRC materials, and how they relate to WSDOT’s guidebook and program.

   Chapter 1 – Introduction (updated)
   Chapter 2 – Compatible Land Use Concerns (updated)
   Chapter 3 – Current Planning and Land Use Assessment (updated)
   Chapter 4 – Local Comprehensive Plan Submittal Requirements (new)

5. Open discussion for committee members – Kiehl/Ward/Committee (30 minutes)

   This time is set aside for any remaining discussion among committee members.

6. What’s Next - Ward/Kiehl (5 minutes)
