<tr>
<td>Solutions for Humanity, Community &amp; Environment</td>
<td>PC</td>
<td>$10,000</td>
<td>Increase youth participation in public processes, particularly in under-served communities. Build upon expertise gained by youth from round 2 project to assist them as they walk other youth peers through transportation related meetings, using public participation opportunities as a learning mechanism and peer-to-peer training.</td>
</tr>
<tr>
<td>Tacoma Pierce County Affordable Housing Consortium</td>
<td>PC</td>
<td>$3,500</td>
<td>Continue to work with local organizations, including other equity grantees, to further engage the Tacoma community in GTC. This includes a local equity convening of organizations, residents, and business leaders as part of the lead up to a regional equity summit in the Fall. *Reduced funding recommended since $1,500 of the proposed budget was to cover video work completed outside the grant period.</td>
</tr>
<tr>
<td>El Centro de la Raza</td>
<td>SKC/ SEA</td>
<td>$5,000</td>
<td>Continue community organizing and capacity building work with the Rainbow Haven community in Tukwila, facilitate input from the community for the Beacon Hill TOD development, and continue to support the community's engagement with the city of Tukwila. Work done thus far has increased capacity in the community to understand TOD and how redevelopment may affect them, and increased their ability to advocate for themselves as an organized community.</td>
</tr>
<tr>
<td>Got Green</td>
<td>SEA</td>
<td>$10,000</td>
<td>Further support the community organizing and education work of the construction jobs equity project. This work will further build and develop the leadership team for the South Seattle Jobs Committee; bring new organizational partners into the Construction Jobs Equity Coalition; and provide support for a civic engagement and education campaign around Targeted Local Hire.</td>
</tr>
<tr>
<td>Seattle Chinatown International District PDA/ Friends of Little Saigon</td>
<td>SEA</td>
<td>$5,000</td>
<td>Support for additional capacity building work with property owners in the International District, with a focus on preservation and rehabilitation of hundreds of affordable housing units in the heart of the city's transit center. Specifically, this will address the unintended consequences in economically distressed historic neighborhoods like the ID of two new city policies to ensure quality and safety in unreinforced masonry buildings and rental housing.</td>
</tr>
<tr>
<td>Capitol Hill Champion</td>
<td>SEA</td>
<td>$10,000</td>
<td>Additional support for a more robust outreach effort over a longer period of time. Grant goals include outreach to and leadership development with historically underrepresented communities on Capitol Hill, and the selection of a developer proposal that meets the station area Urban Design Framework's goals for affordable housing.</td>
</tr>
<tr>
<td>Leadership Eastside</td>
<td>EKC</td>
<td>$15,000</td>
<td>This is a continuation of the Overlake Village outreach project, led by Hopelink. Leadership Eastside will spearhead an effort to bring together organizations to form a stakeholder group for Overlake Village that will be an advocate for achieving a shared vision for both equity and growth in the station area. *Note, an outcome of the Hopelink project was to organize community organizations on the eastside and support an organization to apply for a grant.</td>
