Transportation Safety Planning

Puget Sound Regional Council

TOOLBOX: Transportation Safety Planning

Friday, November 7, 2025

10:00 a.m. – 11:30 a.m. • Virtual – Zoom Webinar

AICP CM Credit Information – # 9318795

This webinar will explore transportation safety efforts currently underway across the central Puget Sound region. Roadway deaths have sharply increased since 2010, especially among pedestrians and cyclists. In 2023, PSRC received two Safe Streets and Roads for All (SS4A) grants totaling \$7.7 million from the U.S. Department of Transportation (USDOT) to support the development of a regional safety action plan and to provide technical assistance to nearly 20 communities in the region for creating local safety plans. PSRC's General Assembly adopted the Regional Safety Action Plan in May 2025, and safety work is underway in numerous jurisdictions across the central Puget Sound region.

10:00	Welcome and Introductions – Katie Enders
10:05	PSRC's Regional Safety Action Plan – Gary Simonson
10:15	City of Redmond: Safer Streets Action Plan – Michael Hintze
10:35	City of Kent: Target Zero Action Plan – Erik Preston
