

## Puget Sound Regional Council

### **MEETING SUMMARY**

#### **Coordinated Mobility and Accessibility Committee**

**January 21, 2026**

**Online Meeting Only**

### **INTRODUCTIONS AND ANNOUNCEMENTS**

Jean Kim, PSRC, welcomed everyone at 9:30 a.m. and took a roll call of the membership in attendance.

### **APPROVAL OF MEETING SUMMARY OR REPORTS**

The November 19, 2025 meeting summary was approved as presented.

### **DISCUSSION ITEM: PREPARATION FOR THE REGIONAL PRIORITY RANKING PROCESS**

Jean Kim, PSRC, provided an overview of PSRC's Regional Priority Ranking process, which is the regional process for the WSDOT's Consolidated Grant competition. Based on the debrief held in November, Jean shared upcoming topics to discuss with CMAC before this year's process for the 2027-2029 biennium. Key topics include the review and revision of Equitable Engagement factor, performance measures, especially for vehicle replacement applications, and project types (for example, microtransit). She shared a draft schedule for 2026, which include regional process training on July 15, sponsor presentation on October 21, and CMAC deliberation to develop a recommendation on November 18.

### **DISCUSSION ITEM: EQUITABLE ENGAGEMENT AND COMMUNICATIONS FACTOR**

Erin Hogan, PSRC, facilitated the discussion to refine the Equitable Engagement and Communications Factor that PSRC uses for assessment. This factor assesses how well the project was shaped by the priority communities it serves and how effectively it communicates with community members to make improvements. Erin shared sample

responses received as part of the past grant cycle and the results of the regional evaluation. While there's a need for clearer guidance, expectations, and examples to help sponsors, PSRC is also working on how equitable engagement is addressed in other funding evaluation criteria. Some of the recommendations from this broader agency's work will be incorporated for the upcoming biennium. CMAC asked questions and provided feedback.

Jean presented an overview of the committee membership structure, roster, and members' attendance in 2025. PSRC will reach out to agencies for the next steps and develop a proposal to update membership for Kitsap County, as currently, most seats are vacant.
