Summer Planning Academy (SPA) for High School Students

Are you curious about how cities grow, change, and develop? Have you ever wondered how governments decide where train lines should go? Do you have ideas about how to make our communities better places for everyone? If so, you should apply for the Summer Planning Academy (SPA)!

Puget Sound Regional Council

The Puget Sound Regional Council (PSRC) is looking for high school students from King, Snohomish, Pierce, and Kitsap counties who want to learn about urban planning in our region and share ideas about how to make the central Puget Sound region a better place to live, work, and play.

SPA is a leadership development opportunity offered free of charge to students interested in planning a better future for our region. The program encourages students to think creatively about how better planning can help people lead better lives.

Upon successful completion of SPA, students are eligible to receive a **\$500** scholarship. SPA sessions will take place in Downtown Seattle on July 29, 31, August 5, and 7.

Applications are due **May 18**.

To learn more about PSRC, SPA, and to apply, go to www.psrc.org/our-work/summer-planning-academy or scan the QR code.
