Critical Urban Freight Corridor (CUFC) Designation Update

Doug Cox provided an overview of the process PSRC used to identify corridors to be removed from the CUFC designation in order to allocate sufficient mileage for the 2026 National Freight Highway Program (NHFP) candidate project corridors. Completed projects were removed from the designation to provide enough mileage for the 2026 NHFP candidate project corridors. After this discussion, the committee recommended the updated CUFC designations. PSRC will submit the updated CUFC designations to WSDOT by August 10th.
