

Canyon Park RGC Certification

Growth Management Policy Board • April 7, 2022

Puget Sound Regional Council

Regional Centers & Plan Certification

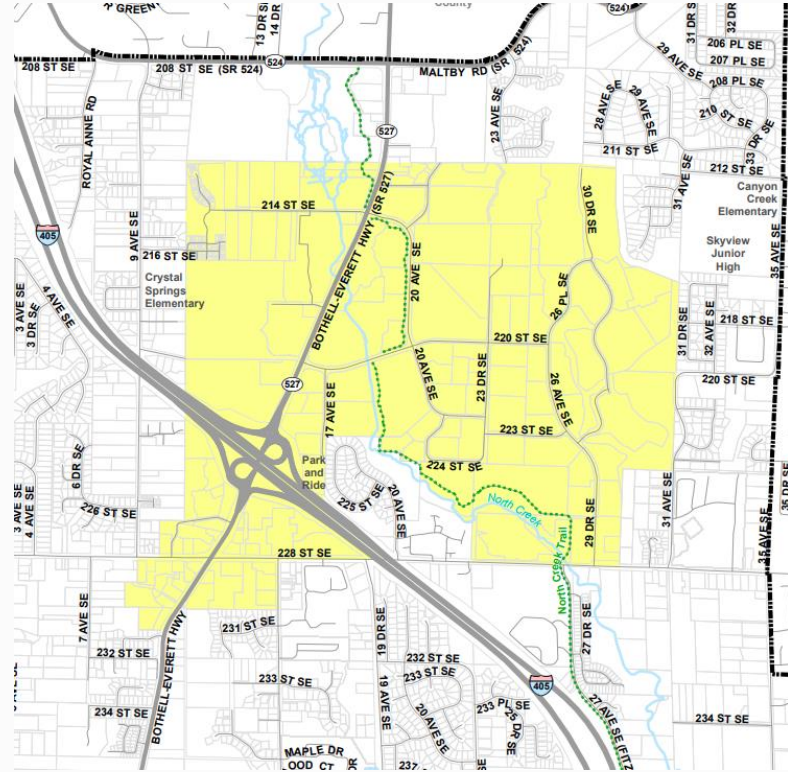

- Review of regional center plans began in 2003
- Ongoing coordination with jurisdictions as plans are done
- Certified subarea plan by 2025

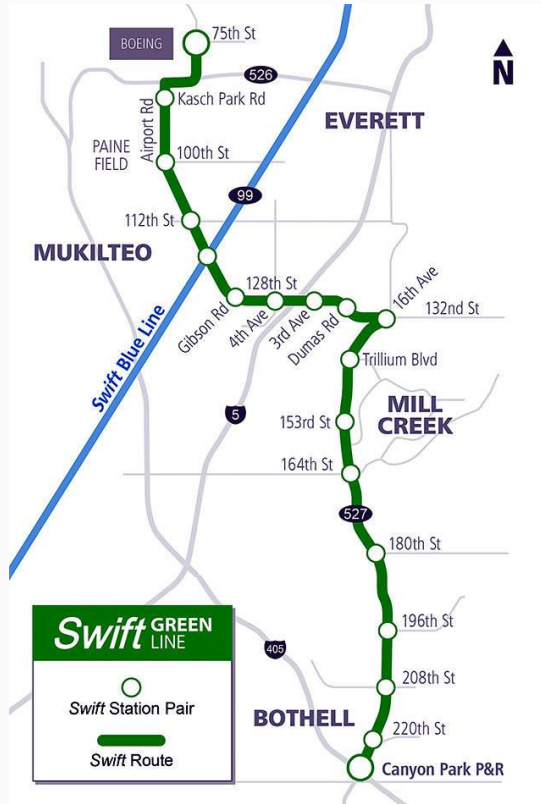

Canyon Park RGC

- Located in the Snohomish County portion of Bothell
- Designated by PSRC in 1995
- Center boundary amended to remove natural areas and include nearby activity centers

Canyon Park RGC

- Existing SWIFT Green Line BRT service
- 2024 opening of I-405 BRT

Canyon Park Subarea Plan

Regional Growth
Center

Plan highlights include:

- The development of a diverse range of market rate and affordable housing
- Retaining flexible and affordable commercial spaces
- Creating through-block connections with proposed new development

Staff Recommendation

Recommend the Executive Board certify that the Canyon Park RGC subarea plan addresses planning expectations for regional growth centers.

Next Steps

Transportation Policy Board (April 14)

- Certification on consent agenda

Executive Board (April 28)

- Certification on consent agenda
