Please take a short survey to inform PSRC's federal certification review

Every four years the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) conduct a review of PSRC to determine if federal planning requirements are being met.

Please consider providing feedback on PSRC's transportation planning process to inform the federal review and ensure federal transportation funding continues to flow to the region by [taking this short survey](#) by Friday, July 22, 2022.
