

## 2023-2025 WSDOT Consolidated Grant Regional Priority Ranking for PSRC Region: Project Sponsor Follow-Up Questions

**Sponsor: Homage**

**Project Title: Deviated Fixed Route from Darrington to Smokey Point**

---

**Question #1:** Please provide additional details regarding your plan to serve people with limited English proficiency.

**Answer #1:** Through our ADRN department, we have staff who speak many different languages. Our office staff use them to translate when needed. Homage also has a language line for translation of calls.

There are not that many limited English proficiency individuals within this area. TAP already provides rides to one on our expansion route. Drivers have access to the language line if needed. We will also get rack cards printed in the three/four most common languages for this area.
