"The Colored Museum" by George C. Wolfe is a Tony-award-winning play with music that explores the African-American experience in the United States.

Presented by Kitsap Black Student Union and Bainbridge Island Museum of Art in partnership with the Central Kitsap Performing Arts Center, the play explores the use of satire and humor to address serious social justice issues.

The MLK theme of Social Justice through the Arts resonates throughout the show and invokes opportunities for meaningful dialogue surrounding uncomfortable topics.

Whether you're a theater lover or simply someone who appreciates art, social justice, or politics, "The Colored Museum" at the CK PAC is a high-tech, live theatre experience not to be missed!
