

# Community Transit Regional CMAQ Project Presentation

Puget Sound Regional Council

April 25, 2024

# About the Project

- Seeking **\$8.2m in 2024 Regional CMAQ** round for the purchase of seven (7) 40' battery electric coaches and supporting charging infrastructure
- Coaches will be battery electric powered.  
Replace existing diesel-powered fleet
- Coaches will be ordered in 2027-28

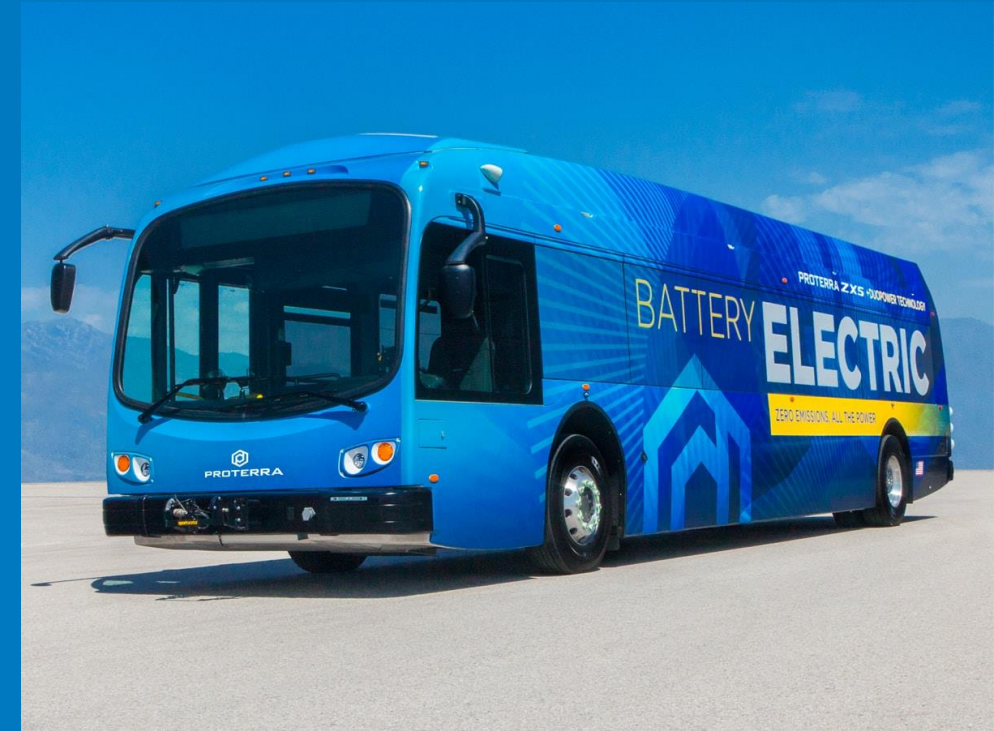

# Plan Consistency

- Consistent with PSRC VISION 2050 and included in Regional TIP and STIP
- High Priority investment recognized by Snohomish County Tomorrow
- Consistent with draft Snohomish County 2024 Comprehensive Plan Update
- Consistent with CT Journey 2050 LRP and Adopted Transit Development Plan

# Why Support This Project?

- Will significantly reduce diesel & other GHG emissions, esp. in PSRC Equity Focus Areas
- Will help provide good paying, high tech jobs
- Supports the advancement of designated regional centers in Snohomish County
- Represents the largest capital investment in agency history
- Helps complete transition to full ZE fleet by 2044
