How the EAC Can Support the RTP

We need your help!

PSRC is developing a **Regional Transportation Plan** to guide decisions on future system investments across a four-county region.

We want to collaborate with you to engage deeply with communities.

How the EAC Can Support the RTP

We need your help!

PSRC is developing a **Regional Transportation Plan** to guide decisions on future system investments across a four-county region.

We want to collaborate with you to engage deeply with communities.

RTP Subcommittee

We are developing an RTP subcommittee to co-create our engagement efforts. The subcommittee meets monthly, and you will be paid for your time.

Are you interested in joining our subcommittee?

Questions

Puget Sound Regional Council

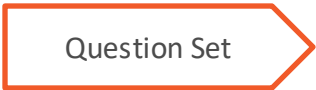

1. INPUTS

Coordinated Mobility Plan	PSRC Equity Advisory Committee
Regional Safety Action Plan	Pre- Engagement Interviews
Equity Focus Area Analysis	Current System Report
PSRC Internal Briefings	RSAP Engagement Gap Analysis

Inputs are the reports, conversations, and tools we will use to inform the RTP public involvement plan.

1. INPUTS

A **question set** outlines the information we are trying to gather from the public

1. INPUTS

Touchpoints are the various tactics we will use to engage with the public.

Engagement Touchpoints

1. Pre-Engagement Interviews – These are the first few talks we schedule with invested parties to help plan how we'll engage broadly.

Engagement Touchpoints

1. Pre-Engagement Interviews – These are the first few talks we schedule with invested parties to help plan how we'll engage broadly.

2. Engagement Hub – There will be a place on the PSRC website focused on sharing information and gathering feedback from the public about transportation planning priorities.

Engagement Touchpoints

1. Pre-Engagement Interviews – These are the first few talks we schedule with invested parties to help plan how we'll engage broadly.

2. Engagement Hub – There will be a place on the PSRC website focused on sharing information and gathering feedback from the public about transportation planning priorities.

3. Community Event Tabling – PSRC will be at community events across the region to let people know the RTP planning process has begun and give details on ways to get involved.
