Today's Presentation

- Transit Access Work Program Overview
- Where we are...
- Next Steps/Schedule

Regional Transportation Plan calls for PSRC to:

“...Develop and update tools and resources to **help identify where access to transit can be improved**, particularly for bicyclists and pedestrians. ”

Transit access in RTP:

- Transit-Oriented Development (TOD)
- Walk, Bike, and Roll
- Transit Service
- Drop-off/Pick-up Modes
- Parking

2023–24 Review of Existing Tools/Resources

Review existing transit access tools and resources to help identify potential improvements to transit access assessments and next steps.

- This task builds upon past work and will help inform future tasks.
- Work with the Transit Access Working Group to assess unique challenges/needs for different contexts in the region.
