Date: June 18, 2025 from 9:30 a.m. to 11:30 a.m.

Location: Remote – Online Meeting Only (Zoom Meeting)

Welcome and Introductions

Jean Kim, PSRC, welcomed everyone at 9:30 a.m. and took a roll call of the membership in attendance.

Approval of Meeting Summary

The May 21, 2025 meeting summary was approved as presented.

Discussion: Key Transportation Needs of Priority Populations

Jean Kim and Erin Hogan, PSRC, presented a summary of transportation needs identified through prior CMAC meetings, a Mentimeter survey, community engagement, and other sources such as local needs assessments and surveys. Erin provided key findings from various engagement activities and surveys. Then, Jean shared a comparison of different needs expressed by various stakeholders and community members representing the Coordinated Mobility Plan's priority population. Staff facilitated a discussion to determine whether the compiled list of needs required clarification or reframing. The committee members were also invited to share any missing or underrepresented transportation needs. CMAC provided feedback, and staff made notes for future revision.

The presentation can be found on our website [here](#).

Discussion: Desired Outcomes and Strategies

Jean Kim, PSRC, shared the existing desired outcomes and strategies related to transportation needs outlined in the current Coordinated Mobility Plan. Committee members provided feedback on strategies to improve cross-county and cross-agency coordination to support more seamless travel via transit and ADA paratransit. Jean noted that the committee will continue reviewing the existing strategies and making revisions at the July CMAC meeting.
