### **Coordinated Mobility and Accessibility Committee Agenda**

**Date: October 15, 2025 from 9:30 a.m. to 11:30 a.m.**

---

- 1. Welcome and Introductions (9:30 a.m.) – Jean Kim, PSRC**
- 2. Action: Approval of Meeting Summary September 17, 2025 (9:35 a.m.)**
- 3. Discussion: Coordinated Mobility Plan – Prioritized Strategies (9:40 a.m.) – PSRC Staff**

PSRC staff will review key committee feedback received through the Mentimeter survey on draft strategies, action steps, and priorities. The discussion will focus on potential final revisions to the prioritization of strategies (e.g., high vs. other/low). Setting priorities is important to focus regional investment and coordination on the strategies that could be accomplished to meet the key transportation needs identified through community engagement.

The goal of this discussion is to confirm committee consensus on the prioritized strategies of the Coordinated Mobility Plan, which will be released for public comment later this year as part of PSRC's Regional Transportation Plan. Please complete the Mentimeter survey sent to CMAC members via email on October 1, 2025. This will allow staff time to prepare materials for the October CMAC meeting.

- 4. Discussion: Coordinated Mobility Plan – Performance Measures (10:30 a.m.)\* – PSRC Staff**

The committee will discuss potential performance measures to track progress toward the Coordinated Mobility Plan's strategies. The discussion will focus on the relevance, timing, and data availability of these measures, and how they can best inform the region on the implementation of the strategies.

#### **Discussion: Coordinated Mobility Plan — Strategies and Priorities**

Jean Kim and Erin Hogan, PSRC, provided updates on the development of the Coordinated Mobility Plan and shared draft strategies to address key needs identified through recent community engagement. Jean reviewed revised strategies that incorporated feedback from CMAC members and transit agencies. Committee members provided additional comments for further refinement.
