

RTP Regional Transit Access

October 14, 2025 • BPAC

Puget Sound Regional Council

We are leaders in the region to realize equity for all. Diversity, racial equity and inclusion are integrated into how we carry out all our work.

psrc.org/equity

Today's Presentation

- **Transit Access work program**
- **Status of regional assessment work to-date**
- **Next steps**

Regional Transportation Plan calls for PSRC to:

“...Develop and update tools and resources to **help identify where access to transit can be improved**, particularly for bicyclists and pedestrians. ”

Transit access in RTP:

- Transit-Oriented Development (TOD)
- Walk, Bike, and Roll
- Transit Service
- Drop-off/Pick-up Modes
- Parking

Where We Are At...

Collaboration with consultant team to:

- Develop regional transit access assessment
- Assessment on current system compared to future system
- Future system assessment in-progress

Builds on past PSRC transit access work

Accounts for the needs of effective transit service

Methodology

- Land use density & Supporting transit service
- Transit accessibility: what opportunities can people access via transit?
- Equity: examines who can access transit?
- Access to transit: how can people reach transit.

Metrics under “how” people access transit

Percent of streets on regional Pedestrian/Bicycle High Injury Network

Pedestrian network completeness

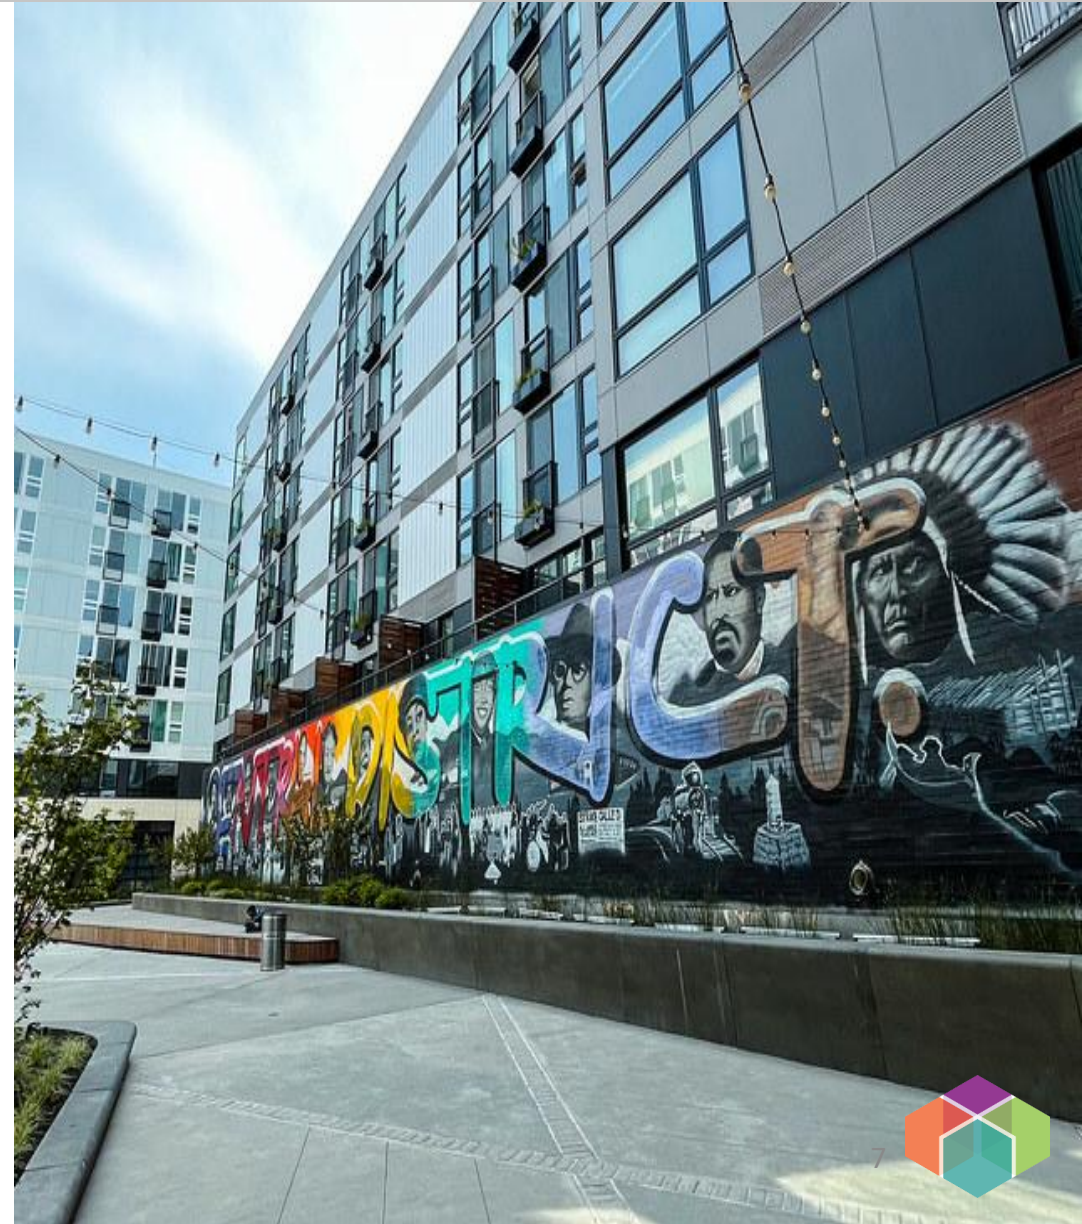

Average bicycle level of traffic stress

Route directness index to transit

Manage parking supply & demand

Next Steps

- Consultant team finalizing draft regional assessment.
- PSRC staff review, comment, incorporation into draft RTP.
- Opportunity for feedback on the regional assessment through draft RTP comment period.
- Next phase: include developing interactive “storymap” type tool for local jurisdictions and transit agencies.

Thank You!
