Supplement to Travel Diary

Please fill out this supplement immediately after completing your two-day travel diary.

The purpose of this supplement is to record how panel members use traffic, transit, and ferry information to make trip decisions and their motivation for making changes to their planned trips. You will need to refer to the last column on your travel diary when completing this supplement.

1. Please list below ALL trips made during your 2-day travel diary period where you consulted traffic, transit, or ferry information.

2. Please enter the trip number from the diary (diary row number) and circle whether it occurred on Day 1 or Day 2.

3. Then proceed with Q2 - Q7 for each trip, selecting your answers from the code lists below. In the space provided, please enter the letter that corresponds with your answer.
