Appendices Volume I: Supporting Technical Materials for the Environmental Impact Statement

This volume contains the technical appendices that support the analysis in the Final Environmental Impact Statement.

The volume contains nine appendices:

Appendix I-A: Preferred Growth Alternative: Technical Tables

This appendix presents a series of data tables that serve as a complete definition of the Preferred Growth Alternative.

Appendix I-B: References

This appendix lists the documents cited in the Final Environmental Impact Statement. Documents cited are organized by chapter and may be referenced under more than one chapter.

Appendix I-C: Glossary/Acronyms

This appendix includes a glossary of technical terms and definitions, and a list of acronyms that appear in the document.

Appendix I-D: Evaluation Criteria for Selecting a Preferred Growth Alternative

This appendix analyzes the Preferred Growth Alternative alongside the four alternatives included in the Draft Environmental Impact Statement.

Appendix I-E: Overview of Key Models and Output Data

This appendix provides a detailed description of the data, modeling, geographic information system (GIS) and mapping information and tools that were used in the Final Environmental Impact Statement. Following the overview, sections E.2 through E.4 document the methodology for extending currently-adopted jurisdictional growth targets in the Growth Targets Extended alternative and for developing the preferred growth alternative. It also includes the methodology for estimating impervious surfaces in chapter 5.6, as well as the transportation demand model output data.

Appendix I-F: Compilation of Issue Papers and Informational Papers

This appendix includes an overview of the series of issue papers developed for VISION 2040, including a copy of the ten issue papers approved by the Growth Management Policy Board and six additional information papers prepared to inform specific policy areas.

Appendix I-G: Existing Multicounty Planning Policies

This appendix lists the existing Multicounty Planning Policies for the central Puget Sound region. These were adopted in May 1995 by the General Assembly of the Puget Sound Regional Council in the 1995 update of VISION 2020.

Appendix I-H: List of Preparers

This appendix provides the complete list of stakeholders that are on the mailing for the distribution of the Final Environmental Impact Statement.

Appendix I-I. Distribution List

This appendix consists of the list of stakeholders that were given a copy of the Final Environmental Impact Statement. Additional copies of the FEIS are available through the Puget Sound Regional Council's Information Center, infoctr@psrc.org, 206-464-7532.
