Section 1. The Central Puget Sound Economic Development District is a nonprofit corporation organized under the Mutual and Miscellaneous Corporations Act of the State of Washington.

Section 2. The purpose of the Central Puget Sound Economic Development District is economic development coordination. The region's Economic Development District brings together public and private interests to coordinate economic development strategies, provide technical assistance and facilitate economic development funding.

Section 3. The Economic Development District has entered into a Memorandum of Agreement (MOA) with the Puget Sound Regional Council. Under the MOA, the two agencies have consolidated staff services, both to increase government efficiency and further integrate the District's economic development work with the regional growth management and transportation planning of the Regional Council. The District and the Regional Council will retain separate boards to carry out specific federally mandated responsibilities.

Section 4. The Corporation shall have the authority to contract with public and private institutions and corporations to perform appropriate service to its mission. It is authorized to receive money from public and private sources to accomplish the purposes of the corporation.

Section 5. The Corporation shall have the authority to place any unused portion of the money it receives into short-term secured investments and to retain the interest income for use in conduct of its regular business.

Section 6. The Corporation shall employ such staff and contract for such services as it may deem necessary to accomplish the purposes of the Corporation.

BOARD OF DIRECTORS

Section 1. The affairs of the Corporation shall be managed by a Board of Directors comprised of government and non-government representatives as defined below.

Section 2. A majority of the total seats on the Board of Directors shall be filled by those representing general-purpose local governments. “General-purpose local governments” include all county, city, town, and tribal governments. It does not include port districts.

Section 3. Four seats on the Board of Directors shall be filled by representatives of member counties as follows: King County shall have two seats on the Board; Pierce and Snohomish Counties shall each have one seat on the Board. The method of appointment is at the discretion of the appointing jurisdiction.

The Metropolitan Centers, which are the cities of Bellevue, Bremerton, Everett and Tacoma, shall each have one seat. For the Regional Center and Metropolitan Center seats, the method of appointment is at the discretion of the appointing jurisdiction.

1 Section 5. In this section, “remaining” refers to all the member cities and towns in a
2 county not specifically assigned seats in Article II, Section 4 of these bylaws. For appointments
3 described in this section, the method of appointment is at the discretion of the members
4 immediately concerned. One seat shall be filled by a representative of Kitsap County. One seat
5 shall be filled by a representative of the remaining member cities and towns in Kitsap County.
6 Two seats shall be filled by representatives of remaining member cities and towns in King
7 County. One seat shall be filled by a representative of remaining member cities and towns in
8 Pierce County. One seat shall be filled by a representative of remaining member cities and
9 towns in Snohomish County.

10 Should the members immediately concerned not agree on a method of appointment, any
11 one member concerned may request initiation of a dispute resolution process. Once the dispute
12 resolution process has been initiated, the members concerned shall for thirty (30) days seek a
13 mutually acceptable accommodation of their differences among themselves, or when requested
14 by any member concerned, with the assistance of an independent intervener or third party
15 appointed by the Board. After thirty (30) days has passed, the dispute resolution process will be
16 deemed resolved when a weighted vote of the applicable members show that members
17 representing two-thirds (2/3) of the represented population agree to a particular method of
18 appointment. The method chosen must not place additional requirements, beyond those
19 enumerated in the Bylaws, on members prior to consideration for or service on the Board.

20 Section 6. Federally recognized tribal governments shall have at least one seat and
21 not more than seven seats on the Board of Directors.

1 Section 7. At least 25 percent of the total seats on the Board of Directors shall be

5 ports of Bremerton, Everett, Seattle and Tacoma: the method of appointment is at the discretion
6 of each Port Commission.

7 Section 9. One seat shall be filled by a representative of the Washington State
8 Department of Commerce; the method of appointment is at the discretion of that agency.

9 Section 10. The non-government seats on the Board shall be filled as follows: the four
10 county Economic Development Councils/Economic Development Board will have permanent
11 seats on the Board, each shall be represented by their respective Presidents, Executive Directors
12 or Board members. The four county Workforce Development Councils shall have one seat on
13 the Board, with representation decided by those organizations. A representative of organized

21 institutions and institutions of higher education.

1 Section 11. The President of the Puget Sound Regional Council shall serve as an ex-
2 officio, non-voting member of the Board, unless they are designated as the official voting
3 member from their jurisdiction.

4 Section 12. Except in the case of members that have no elected officials on their
5 governing body, each Board member representing a government shall be an elected official.
6 Each Board member must have one designated alternate who shall have all powers and privileges
7 of the representative. Each elected official must have an alternate who is also an elected official.
8 An elected Board member may have an additional alternate who is not an elected official. These
9 staff alternates may attend Board meetings; their attendance counts when determining a quorum
10 if neither the Board member they represent or that member's elected alternate is in attendance.
11 The staff alternate can also vote at regular Board meetings, except at meetings that the Board
12 approves a final budget, makes a major adjustment to the budget, or approves a final ranking of
13 economic development projects for which to seek funding. Appointment of Board members and
14 alternates representing government bodies that have no elected officials shall be at the discretion
15 of the respective government.

16 Section 13. The name, address and phone number of all Board members and their
17 designated alternates shall be filed in writing with the Board of Directors.

18 Section 14. Notice of meetings stating the place, day and hour of the meeting, and in
19 the case of a special meeting, the purpose or purposes for which the meeting is called, shall be
20 mailed, e-mailed, faxed or delivered personally not less than seven nor more than fifty days
21 before the date of the meeting to each Board member entitled to vote at such meeting. Notice of
22 regular meetings other than annual may be made by providing each member with the adopted
23 schedule of regular meetings for the ensuing year at any time after the annual meeting and ten

1 days prior to a regular meeting and at any time when requested by a member. Agendas with
2 supporting materials shall be mailed, e-mailed or delivered at least seven (7) days in advance of
3 all regularly scheduled meetings; however, if the President or Board determines that an
4 emergency exists, either may make a finding to that effect, in which event a special meeting may
5 be held, provided that notice in writing, or via telephone, FAX or e-mail, is delivered to each
6 Board member at least three (3) work days in advance. The agenda for a special meeting shall be
7 limited to those items specified in the notice.

8 Members may participate in any meeting of members by any means of communication by
9 which all persons participating in the meeting can hear each other during the meeting. A
10 member or shareholder participating in a meeting by this means is deemed to be present in
11 person at the meeting. Any meeting, regular or special, will include a public meeting space
12 where members or the public can listen and participate in the meeting.

13 Section 15. Quorum: Attendance by forty percent of voting members of the Board
14 shall constitute a quorum.

15 Section 16. Voting: All actions and recommendations of the Board shall be approved
16 by a simple majority of the voting members present. Each member of the Board shall possess
17 one vote on matters coming before the Board.
