

Instructions for PSRC's Online Eligibility Screening Forms

Sponsors interested in submitting projects for PSRC's 2019 Rural Town Centers and Corridors (RTCC) competition must complete an online eligibility screening form using the link below. To complete a form, you will use your agency's existing Regional TIP Web Application username and password to access the form.

Once a screening form is started, you may save and return to it as necessary for editing, prior to submitting the form to PSRC **by the April 8th deadline**. Submitted screening forms can be returned for further edits upon request, up until the submission deadline. If you do not have an existing TIP Web Application username, have forgotten your password, need your screening form returned, or have any question on the application, please contact Mitch Koch at (206) 464-7537 or mkoch@psrc.org.
