Subject: **Regional Transportation Plan - SEPA Addendum**

IN BRIEF

As part of the development of the 2018 Regional Transportation Plan, PSRC determined that any anticipated environmental impacts from the plan would be within the range of impacts described in the original Transportation 2040 Final Environmental Impact Statement (FEIS) published in 2010. As such, PSRC is issuing an Addendum to the FEIS in accordance with the State Environmental Policy Act.
