** The following percentages, by UZA, denote the percent of \$307 funds programmed for nonfived route paratransit transportation services, as per FTA reporting requirements for \$507 funds. For all UZAs, less than 10% of \$507 funds were programmed for paratransit services: percent of \$307 funds were programmed for paratransit transportation services. The programmed for paratransit transportation services are programmed for paratransit transportation services.
