5. Does your jurisdiction have existing pedestrian facility data?

- Yes: 54% (46)
- No: 44% (37)
- Other: 2%

Total answered: 85
Availability of Bicycle / Pedestrian Facility Data (RGCs vs. Non-RGCs)

Bicycle Facility Data

Pedestrian Facility Data
Next Steps

Summer 2019
• Survey follow-up based on the responses to-date:
  o To validate survey responses
  o To collect more information on facility and count data (i.e., data format)

Fall 2019
• Assess needs/ gaps in active transportation data in the region
