Today’s Meeting

Project Overview

Board Direction or Action

- Proposed Amendments
Framework Update

Scope of Work

[...] Evaluate the regional centers framework and recommend structural changes to recognize both regional and subregional centers using consistent designation criteria and procedures. If adopted, the new centers framework would inform future regional and local planning and investments.

*Implements MPP-DP-6, DP-9, DP-12, Action-3, Action-5*
Framework Update

121 board, committee, and outreach meetings

Workshops
Joint-board working sessions
Centers workshops in each county

Committees
Technical Advisory Group
Stakeholder Working Group

The Executive Board should approve and initiate implementation of the Regional Centers Framework Update [as amended].
Implementation

• Update Designation Procedures for New Centers
• Identify Issues for VISION 2050 Update
  – Major military installations
  – Center types
• Work with countywide organizations
• Other work plan steps:
  – Displacement research
  – Transportation funding sources for military base access
Thank you.
