Recommended Action

Adopt “Analyze the region’s role in the emerging commercial space sector” as an implementation Action Item for *Amazing Place*

PSRC will facilitate analysis of the region’s commercial space sector, describing and quantifying the sector and identifying the region’s competitors and competitive strengths, to help support the growth of the sector.

Recommended Action

Adopt “Support efforts to secure the design, production and final assembly of Boeing’s new market airplane and strengthen the supplier base in Washington state” as an implementation Action Item for *Amazing Place*

A statewide effort will reinforce Washington’s status as the national leader in aerospace by securing final assembly of Boeing’s new, middle-of-the-market jet and prepare the state for future build opportunities.
