VISION 2050

Growth Management Policy Board
June 7, 2018

Puget Sound Regional Council
VISION 2050 Work Program

2017
- Early work

2018
- Scoping, research, planning

2019
- SEPA review, draft plan

2020
- Adoption
Scoping Report

• Builds off of prior VISION 2040 scoping report
  – Added more complete description of what VISION 2040 is
• Assumptions for the update
• Record of outreach and process, summary of comments
• Declaration of intent to prepare a Supplement to the EIS & scope of the SEIS
• Broad framework & schedule for updating the plan
Fundamental Updates

• Clarified fundamental changes
  – Extending to 2050
  – Statutory changes, including school siting
  – Updating outdated information
  – Recent regional plans, including
    – Regional Open Space Conservation Plan
    – Regional Transportation Plan
    – Regional Economic Strategy
  – Board commitments, including implementation of the Regional Centers Framework
Regional Growth Strategy

- Identified as primary topic for the Board
- Programmed for three Board work sessions
  - June
  - September
  - November
Goals, policies & actions

• **Added clarity regarding topics to review**

• **Housing, including affordability and TOD**
  – May 17 Peer Networking event with key housing stakeholders
  – July 5 Board work session

• **Climate change/resiliency**

• **Social equity, displacement, and suburbanization of poverty**

• **Other policy issues**
  – Integrated approach, implementation, community health, transportation technology, annexation, environment and open space, recognition of Native American tribes

• **Doesn’t preclude review of other comments & topics**
Scoping Report Recommendation

The Growth Management Policy Board should adopt the VISION 2050 Scoping Report
Thank you
