Overview of Changes

- Make more visually appealing with better maps, graphics and photos
- Make more accessible – streamline text, improve organization, facilitate electronic use
- Update and modernize
- Emphasize people
Non-Policy Changes

• Introduction:
  • The state of the region today
  • Clear Vision statement
  • Highlight core strategies from the plan - broaden beyond environmental
  • Less text describing GMA requirements
  • Move some elements and Glossary to be online resources
Next Steps

February 2 GMPB meeting

- Extended work session on social & racial equity
- Housing policy review
- Implementation & accountability
