Land Use and Transportation Technology
Work Session

September 20, 2018 • 12:00 p.m. – 3:00 p.m. • PSRC Boardroom

An interactive deep dive to help identify regional policy priorities and pathways to move forward to address transportation technology and land use.

PROGRAM

12:00 Welcoming Remarks
• Kelly McGourty, Director of Transportation Planning, Puget Sound Regional Council

12:20 Public Comment

12:30 Land Use & Transportation Technology – What’s Happening in the Region?
• Steve Banfield, CEO, ReachNow
• Linda Lyshall, Air Resource Specialist, Puget Sound Clean Air Agency
• Erin Leonhart, Director of Public Works, City of Bothell

Break

1:40 Responding to and Preparing for Change – What’s Next?
Participants will break into small groups to discuss key questions on transportation technology and land use.
• What considerations should be included in new developments to best align with the changing transportation mobility spectrum?
• What can cities do to become prepared for greater penetration of the technology and shared mobility spectrum?
• From the three perspectives – city, developer, mobility practitioner – what are the challenges and opportunities as they relate to the public right of way?

2:45 Reconvene and Report Out

3:00 Adjourn
