February 21, 2019 ● 12:00 p.m. – 3:00 p.m. ● PSRC Boardroom

An interactive deep dive to help identify policy priorities and pathways to site public facilities and utilities to enhance communities.

PROGRAM

12:00 Welcoming Remarks
  • Paul Inghram, Director of Growth Management, Puget Sound Regional Council

12:15 Innovative Approaches to Siting Facilities – What’s Happening in the Region?
  • Jeff Clarke, General Manager, Alderwood Water & Wastewater District
  • Denise Stiffarm, Partner, Pacifica Law Group
  • Sarah Olson, Deputy Director, City of Lynnwood Parks, Recreation & Cultural Arts Department

Break

1:40 Siting Facilities to Enhance Communities – What’s Next?
Participants will break into small groups to discuss key questions on siting and maintaining community facilities.
  • What is the current state of siting and maintaining facilities? What is the ideal future for siting and maintaining facilities?
  • What needs to change to transition from the current state to the ideal future? How can regional support – best practices, funding, accountability – support this transition?

2:45 Reconvene and Report Out

3:00 Adjourn
