Attention: Stephanie Tax

**2019-2022 STIP Amendment 19-07**

Dear Mr. Millar:

The Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) received the July 31, 2019, letter from Ms. Stephanie Tax, requesting approval of 2019-2022 STIP Amendment 19-07.

Pursuant to 23 CFR 450.328 we find that the TIP Amendments for the Metropolitan Planning Organizations (MPOs) submitted for this round conform with the State Implementation Plan for reducing the severity and number of National Ambient Air Quality Standards (NAAQS) violations and insuring expeditious attainment of the standards.

In accordance with 23 CFR 450.218, the FHWA and the FTA, based on the certification of the statewide and metropolitan transportation planning processes for and within the State of Washington, hereby find that the projects described in the 2019-2022 STIP, approved January 10, 2019, and those projects submitted through subsequent amendments (including this Amendment) are based on a transportation planning process that substantially meets the requirements of 23 CFR Part 450 Subpart A, B and C, 49 U.S.C. Sections 5303-5035, and 23 U.S.C. Sections 134 and 135. We therefore approve the 2019-2022 STIP, as amended in 19-07.

Approval of the STIP and any amendments thereto are not to be construed as a Federal-aid eligibility determination. Each project must satisfy the specific requirements of the program

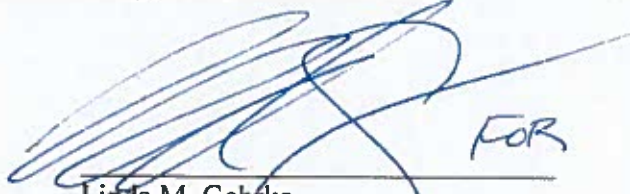

from which Federal funds are solicited, as well as other Federal requirements, before Federal funds are authorized.

If you have any questions concerning our joint action on this STIP amendment, please contact Matt Kunic, FIIWA, at 360-753-9487 and/or Ned Conroy, FTA, at 206-220-4318.

for

Daniel M. Mathis, P.E.  
Washington Division Administrator

**Description:** **Total Cost:** \$153,224,749 **Regionally Significant:** No **Environmental Status:** CE

This project will purchase new buses to replace buses that are beyond their retirement age. The current amount programmed will be used to purchase approximately 166 vehicles. The project includes PSRC FTA funds already expended or scheduled to be expended over the span of FFYs 2018-2020. Replacement buses will be diesel electric hybrid drive utilizing ultra-low sulfur fuel and include low floor, wheelchair ramp, and wheel chair tie down equipment.

This is a TIP bucket project that contains King County Metro Transit's FTA funded preventative maintenance of transit-related vehicles, equipment and facilities. The project contains the annual program of maintenance work on Metro's fleet of approximately 1,500 buses, vanpool fleet, electric trolley infrastructure (70 miles of overhead wire) and seven operating bases and other facilities that are necessary for the maintenance and operations of Metro service. The primary use of the funds is for staff costs for Preventive Maintenance activities on buses. Depending on the amount of federal funds programmed, the federal amount could represent from 10 to 45 percent of the annual budget for this activity. The project includes PSRC FHWA and FTA funds already expended or scheduled to be expended over the span of FFYs 2018-2020.

This is a TIP bucket project that contains Pierce Transit's FTA-funded complementary ADA service for persons with disabilities as provided for in the Americans with Disabilities Act. The amount of federal funding available each year is applied to the Pierce Transit's contracted provider agreement and provides for approximately 45,778 hours of service annually. Depending on the amount of federal funds programmed, the federal amount could represent from 75% to 85% of the annual budget for this activity. The project consists of FTA funds already expended or scheduled to be expended over the span of FFY's 2013-2019

This project is an overlay of S 19th St from Union Ave to Mullen St. The work consists of grinding the outer lane on each side of the street and overlaying the roadway from curb to curb. Non-compliant ADA curb ramps will be upgraded along the corridor. Video detection, APS push buttons, and associated hardware will be added to the S 19th St and Proctor St intersection. The intersection of S 19th St and Mullen St will be expanded to accommodate striping for a left turn lane on Mullen St; this involves a realignment of the curb/gutter, curb ramps, and sidewalk on the NE and SE corners of the intersection. Utility work is not included in the scope of work.

This is a TIP bucket project for 2018-2020 FTA funding to contribute to the replacement of approximately 6 fixed route coaches at the end of their useful life. The funds reflected in this project will go towards the proportion of coach replacement cost associated with fixed route express coach revenue miles served in the Seattle-Tacoma-Everett UZA.

**Environmental Status:** CE

This project provides capital and/or replacement funding to assist in purchases of vehicles to support commuter services linking Skagit County to the central Puget Sound Region. The vanpool and commuter bus services operated by Skagit Transit provide the public link connecting northern Puget Sound to the Central Puget Sound Region. This project is a multiyear bucket project, as funding allows replacement and or expansion vans or buses will be purchased to support these services. During all the years of this project, since it first appears in the TIP, the project will provide one commuter bus and up to four vanpool vehicles to support commuter services operated by Skagit Transit serving the Central Puget Sound Region. Skagit Transit is programming 2019 FTA 5307 and 5339 along with local match funds in the amount of \$256,096 this project. The additional 2019 FTA funds will be used to partially fund an additional commuter style coach.
