Today’s Meeting

- Listening Session Highlights
- Next Steps
Listening Session Attendees

- Lynnwood Session
- Fife Session
- Bremerton Session
- Seattle Session
Listening Sessions

- **Presentation provides a sampling of comments**
- **Developing listening session summaries**
- **Written comments (so far):** 29 individuals, 4 jurisdictions, 1 organization
Land Use and Growth Strategies comments:

- Need more complete, walkable communities outside of centers
- Update annexation policy, support changes to law
- Support growth in transit-served areas
- Revise definition of some regional geographies
- Growth strategy should be achievable and reflect known trends
- Planning should address equity & displacement
Environment & Open Space comments:

- Address **environmental impacts** from jobs/housing imbalance, forecasted growth
- Emphasize connection between healthy **environment** and a healthy **economy**
- Support access to **open space**
- Conserve **rural** lands and **farmland**
Economy comments:

• Address **jobs/housing** balance
• Recognize **impacts** transportation system has on the economy (freight travel, commutes)
• Focus on skill development to meet needs of **future job market**
• Support the **rural** economy
Housing comments:

- **Address affordability:**
  - Promote different *types* of housing
  - Recognize transportation *costs*
  - All cities should play a role in providing housing options

- **Connect housing** to services, transportation, jobs, parks & open space

- **Focus on placemaking** and neighborhood character
Transportation & Infrastructure comments:

- Integrate technology changes
- Maintain the current system
- Provide travel options, increased connections to high-capacity transit
- Address resiliency and climate change in infrastructure planning
Transportation & Infrastructure (cont.)

- Information equity and access to broadband, data services & storage
- **Funding** needed for infrastructure, not just transportation
- More **coordination and communication** needed between service providers
