Regional Centers Framework

Key part of VISION 2050 & Regional Growth Strategy

- Guide regional growth allocations
- Advance local planning
- Inform transit service planning
- Priority areas for PSRC’s federal transportation funding
Regional Centers Framework Update – what changed?

• New classifications for regional centers
  • RGCs – Urban and Metro
  • MICs – Employment and Growth
• Clearer center planning requirements
• Minimum criteria for countywide centers (growth and industrial)
• Application window for new designations
Center Typologies

- Regional Growth Centers: Urban & Metro

- Regional Manufacturing/Industrial Centers: Growth & Employment

Note: PSRC is still working with some jurisdictions to finalize typology
Local Centers Work

- Countywide Centers – policies and designations
- Subarea planning
Work Plan Items

Underway
- Market study guidance
- Growth target guidance
- Equity, Housing, & Displacement Work
- Administrative procedures (today)

Future Work
- Projects Supporting Centers guidance
- 2025 Centers Monitoring
Centers Administrative Procedures

Purpose:
- Answer questions from local jurisdictions
- Clarify review processes for policy boards
- Ensure consistent staff-level administration

Note: procedures will only apply to regional centers

**Question for RSC: Are we on the right track?**
Next Steps

• Staff will incorporate RSC’s feedback into a draft document for future committee review
  • Send additional feedback or questions to Andrea Harris-Long atAHarris-Long@psrc.org.

• Fall GMPB meetings – center plan certifications

• Staff will continue to brief RSC on implementation tasks
Thank you.
