

2017 Rural Town Centers & Corridor Program Project Recommendation

Projects Recommended for Funding

Agency	Project Title	Phase(s) Requested	Project Score	Amount	Project Description
City of North Bend	North Bend Way/Park Street Roundabout	Construction	82	\$1,000,000	This project constructs a roundabout at the intersection of North Bend and Park Street. The project includes: landscaping, sidewalks and share use trail connections, signage, and utility improvements. <i>The city accepted a reduced amount of funding and will complete the construction phase using additional local funds.</i>
City of Stanwood	90th Avenue Extension	Construction	79	\$1,437,750	This project extends 90th Avenue from 271st Street to Viking Way and includes two travel lanes, parking, landscaping, and sidewalks. <i>The city accepted a reduced amount of funding and will complete the construction phase using additional local funds.</i>
City of Orting	Whitehawk Boulevard Extension	Preliminary Engineering /Design & Right of Way	77	\$346,000	This project extends Whitehawk Boulevard NW from the Orting Avenue NW intersection to Calistonga SW/Kansas Street. The project includes a travel lane in each direction, a center median, bike and pedestrian facilities, and a new traffic signal. <i>The amount recommended will complete the preliminary engineering/design phase. The requested funding for the right of way phase is included on the contingency list.</i>
City of Snohomish	Bickford & Weaver Intersection Improvements	Preliminary Engineering /Design	69	\$216,250	This project provides intersection improvements at Bickford Avenue and Weaver Road. The project includes a new traffic signal, curbing, channelization, sidewalks, and drainage improvements.

Total Funds Recommended \$3,000,000

Projects Recommended for Contingency List (in priority order)

Agency	Project Title	Phase	Project Score	Contingency Amount	Project Description
Kitsap County	Beach Drive	Construction	70	\$900,000	This project constructs a six-foot buffered shoulder on both sides of Beach Drive from Main Street to Jessica Way.
City of Orting	Whitehawk Boulevard Extension	Right of Way	77	\$865,000	This project extends Whitehawk Boulevard NW from the Orting Avenue NW intersection to Calistonga SW/Kansas Street. The project includes a travel lane in each direction, a center median, bike and pedestrian facilities, and a new traffic signal. The preliminary engineering phase is being recommended for funding.
City of Carnation	SR 203/Tolt Avenue Central Business District Improvements	Construction	74	\$1,000,000	This project constructs transportation improvements in Carnation's downtown. Improvements include street re-grading and paving, widened shared-use sidewalks, curb bulbs, lighting, landscaping, and utility improvements.
Pierce County	Olson Drive KPN/92nd Street – Key Center Sidewalks	Preliminary Engineering/Design	67	\$58,850	This project widens the two-lane roadway and provides paved shoulders, curb, gutter, and sidewalks and driveway approaches on both sides.
		Construction		\$208,729	
City of Sultan	Alder Avenue Reconstruction Phase II	Preliminary Engineering/Design	67	\$27,680	This project will reconstruct Alder Avenue from 4th Street to 5th Street. The project includes utility improvements as well as the replacement of curb, gutter and sidewalks.
		Construction		\$210,887	

Total Funds Recommended for Contingency List \$3,271,146
