RTOC FORMALIZING PROCESS

• Select new RTOC Co-Chair in January

• Refine committee roster to make sure there is representation from member agencies in all four central Puget Sound counties, as well as a cross-section of jurisdiction sizes
  • PSRC staff and co-chairs will lead the process but will work with RTOC members
  • Before we begin the process, any high-level thoughts or considerations?

• Revisit charter/operating procedures once roster is revised

• Formalizing RTOC will add weight to committee efforts (e.g. updating the Regional ITS Implementation Plan)
Thank You
