Welcome and Introductions, Public Comment, and Announcements

Jim Bloodgood, committee co-chair, and Gary Simonson, PSRC, welcomed everyone to the meeting and provided an overview of the agenda. Committee members and other attendees then introduced themselves.

Public Comments

Public comment was provided by Alex Tsimmerman.

Presentation: Shaping a Driverless Future – (Shannon Walker, Seattle Department of Transportation)

Shannon Walker, Seattle Department of Transportation, presented on Seattle’s work to manage emerging new mobility technologies, including autonomous vehicles, electric vehicles, and shared mobility. She discussed several key initiatives, including orienting towards mobility and transit hubs, leveraging data and making it available, and phasing in electric vehicle charging infrastructure.

The full presentation is here and SDOT’s full New Mobility Playbook can be found here.

Discussion: Regional Inventory Data Collection – (Gary Simonson, PSRC and Pavithra Parthasarathi, PSRC)

Gary Simonson and Pavithra Parthasarathi, PSRC, discussed and received input from the group on a proposed data collection approach for the Regional ITS Inventory. They noted that they would incorporate this input into a more detailed and refined draft document that would be reviewed at the July meeting.

The slide deck used to guide this discussion can be found here.
