Overview

1. GTC + VISION 2050
2. Draft proposed MPPs and Actions
3. Next steps
VISION 2050 Work Program

- **2017**: Early work
- **2018**: Scoping, research, planning
- **2019**: SEPA review, draft plan
- **2020**: Adoption
Growing Transit Communities Strategy

Equitable TOD Goals:

1. Attract **residential and employment growth** to transit communities

2. Provide **housing choices affordable to a full range of incomes** near transit

3. Increase **access to opportunity** for existing and future residents
GTC Strategy identified as a foundational document for VISION 2050

Opportunities for the Committee to:

• Identify components of the GTC Strategy that are most germane to VISION 2050
• Develop recommendations on how to best integrate aspects of the GTC Strategy into the regional plan
RTODAC Feedback

- Overview – March 2018
- Housing Choice – June 2018
- Attract Growth – September 2018
- Access to Opportunity – November 2018
Attract Growth

Draft VISION 2050 Key Takeaways

• Support growth in station areas

• Support implementation of the GTC Strategy

• Technical assistance – station area planning, minimum densities
Draft VISION 2050 Key Takeaways

• Develop and preserve affordable housing close to transit

• Identify and mitigate residential displacement

• Technical assistance – Regional Housing Strategy
Draft VISION 2050 Key Takeaways

• Equitable access to services, parks and open spaces, transportation choices

• Inclusive community engagement

• Identify and mitigate cultural and commercial displacement

• Technical assistance – Regional Equity Strategy
Questions for the Committee

Do the proposed draft MPPs and actions capture the goals and intent of the GTC Strategy?

Are any critical components of GTC missing?
Next Steps

- Draft plan released for 60-day comment period → mid July – mid September
- Continue coordinating with RTODAC as plan development moves forward
Thank you.
