Housing Innovations Program

2009 survey of local jurisdictions

- Status and use of 47 tools and incentives
- Purpose of tool/incentive
- Units built using tool/incentive
- Affordability characteristics
Are tools designed for specific needs?

- Tenure
- Affordability
- Geography
- Special populations
- Renter/homeowner assistance

Aiming for 100% participation rate
Next Steps

- PSRC will continue to seek input and refine the scope of the survey
- Field the survey in 2019
- Results will be shared at a future meeting
