Summary of Special Needs Transportation Projects

- Number of Projects: 22
- Total request: $9.8 million
- Project Types:
  - Operations,
  - Mobility management, and
  - Capital (vehicle replacement)
- Half of the projects are seeking funding for 4-years, taking advantage of a new feature in WSDOT competition.
The TPB should recommend that the Executive Board approve PSRC’s regional priority rankings for the Washington State Department of Transportation 2019-2021 Consolidated Grant competition as found in Agenda Item 7, Table 1.
Thank you.
